## A New Vanity Perfin

Chuck Spaulding has sent in an ad from Gordon J. Collins (PO Box 2388, Daly City, CA 94017-2388) offering his new vanity perfin “911” for sale. The perfin, a commemoration of the tragedy and heroics of September 11, 2001, is offered on three current self-adhesive coils: the 34¢ Statue

of Liberty, the 34¢ United We Stand, and the 23¢ George Washington stamps.

Priced to sell PNC's of 5 (your choice) the first 'stamp' (a PNC of 5) is pricey, but the PNC plus 15 more of the same stamp are not too bad. Contact Collins for further details.
